

OCTOBER 1985

- 7th F/L Marshall(CHIVENOR), M/NAV Dedmen, M/LM's Ainslie+Scott.
Sent north into Boulmer's area to assist them with a mid-air collision between two Coltishall Jaguars. Sea King R31 had picked up one pilot OK which was transferred to us for transfer to hospital R31 continued search for the other pilot, subsequently found in the wreckage of his A/C . Meanwhile we had taken the first pilot to 14 M.U. Carlisle for hospital check and then to Catterick Military where he was left. We then came home. A long day!
- 13th F/L Marshall, F/L Prentice, F/S Barnes
Lifted a potholer with head and back injuries from Wensleydale to Airedale hospital.
- 14th F/L Sandford, F/L Whittaker, F/S Wakeman
Scrambled to a vessel 40 miles SE of Spurn to lift a seaman who had been overcome by fumes and was now delirious . After some difficulty keeping him in the NR stretcher he, and a friend? , were winched up and taken to Grimsby.
- 26th F/L Sandford, F/L Clark, F/S Wakeman
Scrambled to search the coast and inland area around Aldbrough for a missing 10 year old girl. She turned up at home safe and well.
