

NOVEMBER 1985

2nd F/L Best, F/L Clark, M/LM Ainslie.

Humber C.G. asked our trusty crew to assist in a search for a woman reported to have been washed off the Withernsea boat house landing, but before the crew arrived she was found safe ashore.

2nd Same crew, same day.

Late in the day around 5.30pm, which is nearly bed time for Nav's, NRCC sent our ace crew to Ingleborough to transfer an injured potholerto Airedale hospital. He had sustained head and leg injuries.

11th F/L Sandford, M/Nav Dedmen, Sgt Spain.

Half way through a winch wash a Lightning shouted MAYDAY so the above crew wound in the wire and wizzed off in the direction of Binbrook but the Lightning beat them there and landed safely.

13th F/L Pierce, F/L Prentice, M/LM Ainslie.

A request from Beverley Police had the above crew searching the local area for a man suspected of attempting suicide by taking a large overdose of pills and setting off by car for a friends. He was located by the Police safe and well at a friends in Newbury.

25th F/L Best, M/Nav Dedmen, M/LM Allen.

Half way en route to Gas Platform West Sole Alpha a Jaguar called MAYDAY with controll problems but the aircraft landed safely before our chopper got anywhere near to him.
